Dear Parents,
各位家長：

P25106

Enhancement of Wi-Fi Network Security for BYOD iPad
提升校園 Wi-Fi 網絡安全以支援 BYOD iPad

Our school has adopted the Bring Your Own Device (BYOD) digital learning policy in recent years. We are committed to providing a safe and effective digital learning environment for our students. To support the BYOD program, the school has recently implemented the following measures to enhance the network security of our school:

1. **New Security System Adopted:** A new school Wi-Fi security system has been implemented to provide stronger protection and reliability.
2. **MDM Registration Requirement:** Only iPads installed with our Mobile Device Management (MDM) system can connect to the school Wi-Fi network.
3. **Restriction on Other Devices:** No other mobile devices (such as smartphones or unregistered tablets) will be allowed to connect to the school Wi-Fi network.
4. **Commencement Date:** This policy will take effect on 2nd February 2026.

Certain MDM subscriptions are due to expire in February and March this year. Parents letters P25107 and P25108, which outline the renewal arrangements for the MDM system, will be issued shortly to the parents concerned.

Students who are not currently subscribed the MDM can still participate in digital learning activities by:

1. Use a self-provisioned iPad* and **subscribing to the MDM service** from the supplier.
 2. Use the iPad borrowed through the QEF e-Learning Support Programme (approved and notified via Parents Letter I25001).
 3. Use an iPad with **self-provided Internet connectivity**.
 4. Use the iPad **provided by the subject teacher** during digital learning activities.
- * Minimum requirement: iPad 2019 (7th Generation), 64 GB with Stylus Pen.

For further details, please refer to Parents Letter P25109.

Thank you for your support in helping us maintain a secure learning environment. For any enquiries, please contact Ms. Wong from the ICT Support Department at 2497 7110.

本校近年來已採納「自攜裝置」(BYOD) 數字學習政策，亦致力為學生提供安全且高效的數字學習環境。為配合自 BYOD 政策，本校最近採取以下措施，以加強本校的網絡安全：

1. 採用全新安全系統：本校已採用新的 Wi-Fi 安全系統，以提供更強的保護及更穩定的連線。
2. **MDM 註冊要求：**只有安裝本校的流動裝置管理系統(MDM)的 iPad 才能連接校園 Wi-Fi 網絡。
3. **限制其他裝置：**其他流動裝置(如智能手機或其他平板電腦)將無法連接校園 Wi-Fi 網絡。
4. **政策生效日期：**此政策將於 2026 年 2 月 2 日正式生效。

部分 MDM 的使用權將於今年二月及三月屆滿。本校將向相關家長發出家長信 P25107 和 P25108，說明 MDM 系統的續訂安排。

未購買 MDM 使用權的學生仍可參與數字學習活動，方式包括：

1. 使用自備 iPad* 並向供應商訂購 **MDM 服務**。
2. 使用透過優質教育基金電子學習支援計劃借用的 iPad (已收到家長信 I25001 的獲批通知)
3. 使用自備網絡連接的 iPad。
4. 使用科任老師在進行數字學習活動期間提供的 iPad。

*自備 iPad 的最低要求：iPad (2019, 第 7 代)、64 GB，並配備觸控筆。

詳情請參閱家長信 P25109。

感謝各位家長一直以來的支持，協助我們為學生建立現代化且安全的學習環境。如有查詢，請致電 2497 7110 與本校資訊科技支援處黃小姐聯絡。
